Grant Application Form – Annual Grants

Net Annual Revenue Grant

(one application per grant form, please)

- Definition: An annual grant equal to the net annual revenue of PTCC prorated to the account held by PTCC for a Regional Council.
- PTCC’s Treasurer will notify the Regional Council of the preliminary estimate of the amount available under this grant program in the fall of the year prior to the payout of the grant. The final amount of the net annual revenue grant will be confirmed in January when the preliminary PTCC year-end financial statements are available.
- Annual grants are available that have been approved by the Regional Council, which meet the notice requirements of PTCC, and are supported by documentation in sufficient detail for the Board of PTCC to be able to approve the grant application.
- Regional Councils may submit an annual grant application when it has been approved by the Regional Council executive.
- **Annual Net Investment Revenue** not requested as a grant in the current year may be requested as a grant in a subsequent year, or at the option of the Regional Council, it may be designated as capital in their account.
- Please specify the “payee” for the grant cheque and the address where the cheque is to be mailed by the Treasurer.
- Net Annual Revenue Grant cheques will be mailed to the “payee” after approval by the Board of Directors.
